LinkedIn: https://www.linkedin.com/in/imanvijain/ | GitHub : https://github.com/manvijain1704

SKILLS

- **Programming Languages:** Java, JavaScript, Python, C#, .NET Core, TypeScript, HTML, CSS3
- **Frameworks/Libraries:** React.js, Django, Flask, Node.js, Angular.js, Express, Vue.js, styled-components, Entity Framework, NUnit, SimpleInjector
- **Database Systems:** SQL Server, PostgreSQL, MongoDB, Oracle, NoSQL
- **Cloud Platforms:** AWS (S3), Google Cloud Platform, Azure
- **Methodologies:** Agile, Scrum, Test-Driven Development (TDD), Continuous Integration/Continuous Deployment (CI/CD)
- **Other Skills:** Git, GitLab, Docker, REST API, Windows, UNIX, Linux, JSON, Software Design, Problem-solving, Communication, Teamwork, Quality Assurance, Manual Testing, Cross-browser Compatibility Testing, Unit Testing, Performance Optimization, Penetration Testing, Test Automation, npm, Webpack, Jenkins, .NET Web Forms, jQuery

EXPERIENCE

Software Developer   Banglore, India
Accenture   Dec 2020 – Aug 2022

- Led backend development initiatives using .NET Core, resulting in a 30% scalability improvement.
- Collaborated closely with clients to gather requirements and ensure integrations deliver against set objectives.
- Conducted comprehensive testing and debugging of backend and frontend components to ensure high code quality and stability.
- Reviewed code changes made by team members for accuracy prior to deployment, troubleshooting complex cases, and identifying alternative solutions.

Software Developer   Noida, India
Avis E. Solutions   Feb 2020 – Dec 2020

- Developed backend interfaces using Python and Django, contributing to a 50% application performance enhancement.
- Integrated RESTful APIs using Django to enable dynamic data interaction and extend application functionality.
- Conducted comprehensive testing and debugging of backend components to ensure high code quality.
- Automated build and deployment processes using Jenkins, increasing workflow efficiency by 30%.
- Worked on high-volume transactional projects, ensuring robust and scalable solutions.

EDUCATION

- Master of Engineering (Electrical and Computer Science), University of Windsor
  Sep 2022 – Dec 2023 | GPA: 7.7

- Bachelor of Technology (Information Technology), Abdul Kalam Technical University
  Aug 2016 – Aug 2020 | GPA: 8.1

CERTIFICATIONS

- MEAN Stack Certification - Accenture
- Deep Learning Specialization - Deeplearning.io
- Machine Learning Course - Andrew NG (Stanford University)
